

## Jean Billie Acrylic & Watercolor

### Artist Statement:

Having been a member of WAA for over 10 years and finishing a two-year stint as President has made me more aware of how many talented artists are in our midst. We are so fortunate to have beautiful surroundings to paint and appreciate in our little corner of this earth. Retirement has afforded me the time to devote to trying to improve my artistic endeavors and to learn from so many of our instructors and members.
