

Material list:

Sketchbook and HB pencil, photos you would like to paint.

Any pastels you have. I use Rembrandt and Nu Pastel mainly because they are the “workhorses”. I also use Unison, Terry Ludwig, Sennelier, Diane Townsend, Schminke and others. I will bringing many for you to try.

Paper – anything used for pastels: Canson, Art Spectrum, Pastelmat and UArt are a few - I prefer sanded papers but Canson is used by many because of its smooth surface.

Gloves if you don't like getting messy! Artguard, Gloves in a Bottle, any barrier cream will do.

Paper towels, apron, masking tape, soft brush.

For info on products go to dakotapastels.com. They have everything you would ever need but wait till after this workshop to make a commitment. I have many of the products for you to try.

Any questions: email me at msp21@comcast.net

Look forward to seeing you, Linda Young
