

WAA mission statement

Our mission is to "encourage artistic awareness and the enjoyment of fine arts and to encourage growth both on individual and community levels."

WAA fulfills this mission with art exhibits and shows, workshops, painting demonstrations, peer-to-peer mentoring, and indoor and outdoor painting and sketching sessions, as well as trips to other art venues.

Our membership includes all skill levels from beginner to professional. Their media include watercolor, oil, acrylic, pastel, charcoal, pen and ink and more.

Informal paint-in sessions are held on Wednesdays throughout the year (excluding the last two weeks of December) from 9:00 a.m. to 12:00 p.m. Artists bring their current projects and share the experience of painting together. On the fourth Wednesdays WAA offers live models. Group outdoor painting and sketching opportunities are offered weekly at various locations, weather permitting. Informative general business meetings are held September through May (excluding December) on the third Wednesday of the month at Noon.

We provide many opportunities for members to promote their work in the community and online. We host an annual judged exhibit in May.
